

## HVE 3000 Portable Flood Pumper and Inline Truckmount Booster

Robust, durable and powerful, the HVE 3000 flood pumper lets you remove water from flooded structures quickly and effectively. Designed with robust restoration features, the unit can also be used as an inline pumpout to boost truckmount performance on long hose runs, enhancing your access to difficult-to-reach areas and accelerating your production.

Item #F479  
\$2,995 Suggested List U.S. Funds

### Product Features

- Easiest cleanout filter. Just pop the clamps on the clear plastic cover and lift out the basket for rinsing.
- A high flow, high volume clog-resistant sump pump – handles up to 1/2 in. solids.
- Rugged construction. Rotomolded housing resists dings and scratches. Low center of gravity provides balanced transport; easy on stairs!
- Bypass the waste tank for black water flood extraction to keep the tank clean.
